Ski Report

Another Weekend at the Lunger's Cabin.

Doug and Donna again welcomed the Sr. High to their cabin in the Pocono's for retreat. The group arrived late on Friday night and included Alex Bookman, Colin and Cory Betz, Matt Brubaker, Mason, Linda and David Byers, Chris Holsinger, Lukas Murray and Connor Snyder. Also the Lunger's dog Toby and the Byers' dog Sugar stayed for the weekend.

While Mason and Linda schussed down the slopes on skis the rest tried using their time to improve on snowboarding. Some, however, were more successful then others, lets just say. Overall by the end of the afternoon ALL

had faced fears and were resilient. The weather held out and instead of rain there were several snow squalls throughout the afternoon on the slopes. Saturday evening the group watched the movie "Courageous" with a Christian message focused on fatherhood. (It will be made available soon in the Church Library in a few weeks.)

Thanks to Donna Lunger for organizing and preparing meals, and Doug and David for doing the driving.

My Mission

I have had the opportunity to go on several missions trips. We have done a variety of work from teaching vacation Bible school to painting and construction. Actually, the first time I considered going on a mission trip I planned to go to a tropical island like the Dominican Republic. However, God had a different plan.

I thought I would enjoy traveling to a place with nice beaches and help a few needy people. Instead, I was called to the desert of Arizona to work with a Navajo Church. If I had not been praying about going on a mission trip, I may have missed going. If I had been listening only to my own voice that wanted a mission 'vacation', this trip would not have been the one I would have picked. And my praying about going on the trip was not deep constant state of mediation - it was me just asking God to reveal what he wanted me to do. That is one of the first times I remember clearly knowing God was answering my prayer.

Little did I know God had been preparing my heart to make that first journey west. He had really been working on me about my attitude and how I work along side of others. He had showed me that I needed to change some things to really do His work on the mission - not just what I wanted to do there.

Before our youth head out this summer to work camps please take time to pray for them. And youth, pray that God reveals to you what you can change to serve Him in your mission this summer.

Souper Bowl Auction Statistics

The auction was held during our regular Youth Soup and Salad Fund Raiser on February 5 (Super Bowl Sunday). Mike Snyder, who auctions regularly, held the crowds attention and helped keep to bid going higher and higher. I wanted to be sure to share with all of you some of the statistics of the day:

- 12 youth and 6 parents designed and donated bowls for the auction (3 Jr High and 9 Sr High)
- We had 21 total bowls to sell
- 27 people registered to bid during the auction and 18 different people won bids (some went home with several bowls!)
- 4 bowls sold twice!
- No bowl sold for under \$25 and the average bowl sold for \$52.00
- The Highest one sale total was for the set of four bowls sold for \$188.00
- Highest total sold twice was \$117.00 for Mason Byers bowl - "Valentines Day". It also brought the highest single bid - \$65.00
- The second highest youth bowl sold twice had a total bid of \$92.00 for Colin Betz bowl - "Yellow and Green Stripes".
- The second highest single bid for a youth bowl was Cory Betz at \$53.00 for his bowl titled "Work in Progress"

- For the parents, Mary Snyder's bowl sold twice to total \$105.00 and included the second highest bid at \$60.00
 - Total money raised at the auction came to \$1,191.00
- There were some additional funds also donated to the cause to make the final total cash donation - **\$1,289.00** and we should also include the food items that were donated from the "Meal With Jesus" that also went to the Lancaster County Council of Churches Food Bank
- And let us not forget that this was a **Soup and Salad Fund Raiser and the total Work Camp money donated was \$935.00.**

So if this one day reflect the generosity of the congregation, it was a truly blessed event.

Thanks to all of the youth and parents and our church families who made this a SOUPER Auction!

Becoming a Member

If you have the desire to enter into the commitment to love and share and serve in the body of Christ at the Lancaster Church of the Brethren, (or at Maranatha) let's talk ! If you are a youth - talk to your parents about it. If you are a parent - ask your youth if they may be interested to be baptized into the faith. Then, let me know and we'll set aside some time to talk about how to prepare.

There is an indoor baptism being planned for Palm Sunday (April 1) and plans for an outdoor baptism late in the spring.

Soup and Salad

Our next Sr. High soup lunch will be on March 18. Thanks to some youth suggestions we tried a new table arrangement for serving the salad and it seemed to be successful. Please be sure you let Sue Lines know in advance if you (youth) are not able to participate.

Sue is in charge of dividing the tasks and needs to know who is available to make up each of the task teams.

Work Camp Papers

You should have received an envelope in the mail from the General Office of the Church of the Brethren. **Youth going to work camp need to complete and return the work camp papers by March 18**. DO NOT MAIL THEM - Return them all to mailbox #9. (only the travel form can be returned incomplete. - include the information at the top of the page and the rest will be filled in and returned to the work camp office.)

If you have any questions about them please let me know.

Male Work Camp Advisor Needed

Ricky Reynolds was planning to use up several days of vacation this summer attending two work camps. Unfortunately, during the Harrisburg work camp with Jr High - **June 20 to 24** - his work can not schedule him for vacation at the same time as another employee. So, we are asking for someone to volunteer to be an advisor with Laura Bowser during that week. Please let me know if you have any questions or would be interested in attending the camp.

Summer Jobs

For senior high youth thinking about getting a job this summer, now is the time that many seasonal employers begin reviewing applications. Remember the people you have worked with at church can be a good reference.

Your time in helping at Soup and Salad and other activities like work camps are good experiences to use too on an application. If you plan to use Linda or someone at church as a reference, please contact them first so they are aware to expect a possible call. It's just good policy.

Shameless Plug!

Please let me know if you have any interest in hosting an international exchange student - I'll help you find one! - Linda B.
