Meal to Support the Maranatha Youth

It was a great time to be at church if you enjoy Spanish food. We were served rice and beans, pork and chicken by the families of the Maranatha Fellowship. They also serves us plantains and for desert - flan all great ethnic foods from the home

countries where many Maranatha families were born.

After the meal the Jr High Youth entertained the crowd with music and singing and a little drumming. Priscilla Phillips worked hard with Matt Shenk to prepare the Jr High Youth for the performance. Edison shared his talent on drums. Louis played the violin. Odett, Gabby and Maria had a preformed a song together. Giovanni shared by running the computer for the projector. Emil sang with a group too and just about everyone shared in the drumming circle.

The reason for the meal was to raise money for the Maranatha Youth to be able to participate in our youth events that may have a fee to attend. The total for that day was just over \$800.00! It was a great time!

Whose Job Is It?

I was cleaning out a cabinet space the other day where I have been keeping old photo prints and papers from trips and events I have attended and I found this copied paper with the following story titles the same as above "Whose Job Is It?" and it goes like this:

This is a story about four people named Everybody, Somebody, Anybody, and Nobody. There was an important job to be done and Everybody was asked to do it. Everybody was sure Somebody would do it. Anybody could have done it, but Nobody did it. Somebody got angry about that because it was Everybody's job. Everybody thought Anybody could do it, but Nobody realized that Everybody blames Somebody when Nobody did what Anybody could have done.

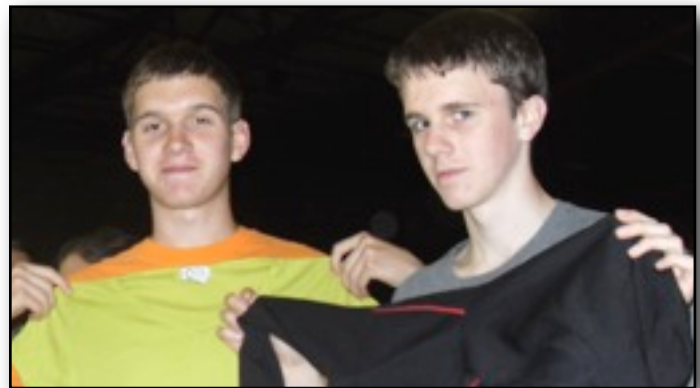

I enjoy the clever use of names in the story but also find it so true. Often we are asked to do things that are simple or don't take much time at all, but instead of just doing the work - we start to question - should that be 'my' job? - or - why must 'I' do that job? -

With summer work camps quickly approaching it's a good time to begin realizing that service is defined as the act of helping. Look for ways to help before some one even thinks to ask you. If you see a need - start by trying to fill it for Anybody.

District Service Project

On Saturday, April 21, 4 Youth met at GAIN, The Global Aid Network warehouse in Mt Joy. Attending were Carly Deihm, Mason Byers, Colin and Cory Betz. Our job was to sort and inspect clothing to be shipped to Africa. We needed to divide the clothing between 'summer' and 'winter' and also 'kid' and 'adults'. It was interesting to see what some people donate for the cause. We learned that we could not pack any shirts with an

“American” theme or flag, or camouflage, in addition to any shirts that included faith messages. Wearing these things in foreign countries can be dangerous for the person wearing them.

After our work we had a tour of the building and learned more about the program and the job they do to supply aid and missionary workers around the world. Then we had pizza for lunch.

The team will be losing Sue Lines as a member since her term is complete. Currently serving are Ricky Reynolds, Melissa Heck and Christine Turkki.

Soup and Salad

Our last Soup and Salad of the season will be May 20. Our last luncheon earned the most for the 2011-12 season - over \$1,400.00 came in that day. Without youth and parent help this would not be possible and not only is it a service

to the church and a great time of fellowship for the congregation, it brings a major amount of support to the Work Camp Funds. Thanks again to ALL who donate time and effort to make it happen!

Work Camp Payments

Some families will owe the last payment for work camp in May. Please be sure to make checks to Lancaster Church of the Brethren and you can deliver them to mailbox #9 with the payment slip.

Name Change

Ashley and Stephanie Kline have had a significant life changing event (along with Ricky and Doris too). Although just the change of a name can seem a minor thing, it does make a world of difference in the legal world and in who you now belong to as a family. Ricky Reynolds has officially adopted both Ashley and Steph and they will now share the same last name. So now in our youth they will be known as Ashley and Stephanie Reynolds. Congratulations Ricky, Doris, Ashley and Stephanie in taking this step in your family.
