Plans for May 4 Sr. High Youth Sunday

It's seems like a long distance away but our Sr. High National Youth Sunday will be here before we know it. This year we will be serving during the 10:15 Traditional Service on May 4. Often we have used the resource materials and theme inspiration from the Church of the Brethren website. Of course, the theme this year is the same as our **theme for National Youth**

Conference – “Called by Christ – Blessed for the Journey”. The

scripture passage where they have extracted the theme is the writings of Paul in Ephesians 4:1-7 and it reads:

I therefore, the prisoner in the Lord, beg you to lead a life worthy of the calling to which you have been called, ² with all humility and gentleness, with patience, bearing with one another in love, ³ making every effort to maintain the unity of the Spirit in the bond of peace. ⁴ There is one body and one Spirit, just as you were called to the one hope of your calling, ⁵ one Lord, one faith, one baptism, ⁶ one God and Father of all, who is above all and through all and in all. ⁷ But each of us was given grace according to the measure of Christ's gift.

To remind us all, this letter to the Ephesians was written by Paul the Apostle to the church in Ephesus where many of the new believers were not from the Jewish faith or culture. (This means they were Gentiles) Paul wanted everyone to know they ALL were included in God's plan and

should continue to live in accordance with the teachings of Jesus. Paul wanted to encourage these new “Christians” that God is speaking to them and through them to reach the world. Each one of us is called to serve and to use our lives as an example of Christ in the world. We each have a call on our lives from the Father.

So now that we know the theme – we need to gather some Sr. High Youth together to share the message of the theme for Youth Sunday. We hope EVERY youth in Sr. High will participate in some role to serve in worship on May 4. It does not matter if you participate in youth

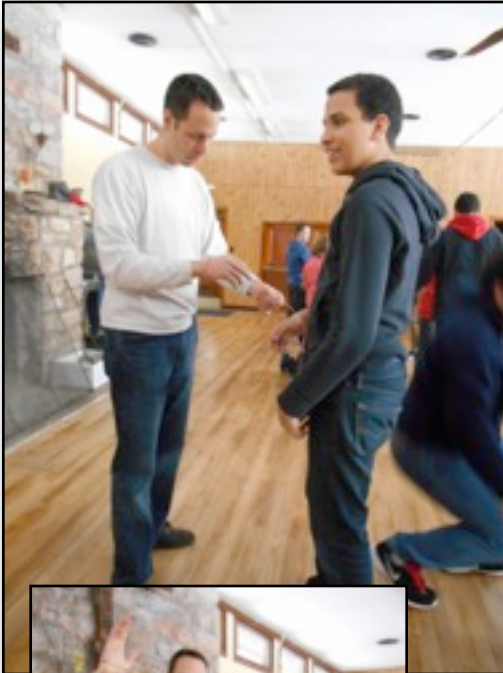

events or if you are going to NYC. If you are a Sr. High Youth YOU are welcome to be a part of this Youth worship service.

We need a team of Youth to help in planning all of the parts of the service. We will need people to read scripture (maybe in a “scripture jam”), we may include a drama or skit, we could use youth with musical talents to play or sing, we need youth to be ushers and youth who will prepare a brief reading about our theme. We have many options. The team will meet a couple of times to iron out the body of the worship service. So we need your thoughts, inspiration and creativity. I will be inviting our senior youth first to be members of the team and then others to join as needed for planning. **Please think about YOUR CALL to be a part of our Youth Sunday Planning Team** and how you would be willing to serve for our worship.

Sr. High Winter Retreat

Yes, it did feel like winter waking up to several inches of snow on Saturday morning at Camp Swatara for the district retreat. Four Youth and two advisors made the trip: Odett Rodriguez, Emil Ramirez, Elliot Ramirez, Edison J. Rodriguez (representing the ANE youth cabinet), Edsion Rodriguez (advisor) and Linda. Our weekend theme was led by Becky Ullum-Naagle – the denominational Youth and Young Adult Leader. Inside Out was the title for the weekend. We had a great band – “Everything Dear” playing for our worship sessions. The sessions revolved around the call of David to become King which comes for the book of First Samuel. The scripture reveals God searched and saw the inside of David’s heart even though he was the youngest (a runt) and not even considered by his family to be worthy to be brought before the prophet. During the last session on Sunday we got to write on one another’s retreat t-shirts what we see on the inside of the other person. Some of the other memorable events besides the worship sessions were the photo scavenger hunt, the “coffee house” concert, the group games like lowering the hula hoop, dodge ball and four square (as usual).

The Waters of Baptism

Any youth interested in exploring what it means to join the Christian faith and the church through the act of baptism should contact Linda Byers. Several youth have expressed interest and we will be planning a date to baptize on Palm Sunday, April 13. There are no "classes" to join in but all of those expressing interest will be invited to discuss their thoughts and the meaning of baptism in a couple of personal conversations. There is a packet of information available to share with you to get started on this journey. Please make that contact by March 1.

Paint a Bowl to Help Feed Others

There is still time to paint a bowl to help those who are in need. Both Jr. High and Sr. High youth have until February 9 to go to Pottery Works on Orange Street in downtown Lancaster to paint a soup bowl to be sold at our bi-annual auction.

If you have never painted a ceramic bowl before – have no fear, it's easy. There are people at Pottery Works who will help explain what you need to do. Our best advice is to keep your

design simple. Remember these are being painted for others to use and enjoy. You could paint something for a holiday (Easter, Valentine's Day) or an event (like breakfast time or eating ice cream). If you go online and google images of "hand painted ceramics" you may find some extra inspiration. Also consider a scripture theme or symbols of faith. Paint however you are inspired. You could even just paint solid colors. Remember you have the inside and outside of the bowl to design.

Funds raised from the auction will be donated to Lancaster County Council of Churches Food Bank OR Heifer International. Be sure to invite family and friends to attend the bidding action on

February 23. Your artwork (bowls) will be on display at the church beginning February 16.

On the day of the auction **WE WILL NEED JR. HIGH YOUTH to help show the bowls** to the crowd during the auction. If you painted a bowl it would be great to have you there to show it off.
