

Lancaster Brethren Preschool Handbook

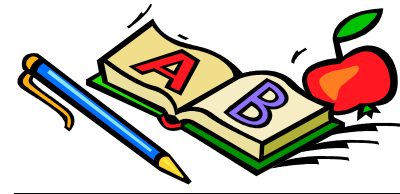

2018-2019

46 years of helping children play, learn and grow!

Lancaster Brethren Preschool is a non-profit, self-supported organization that was established to meet the developmental needs of young children. Through a loving and nurturing environment, the staff works to enrich each child's growth through various experiences that focus on intellectual, physical, and social development.

Lancaster Brethren Preschool teachers and staff strive to meet the individual and group needs of children ages two through six. The teachers work to meet these needs through careful planning and ongoing evaluation. LBP's program includes a wide variety of activities focused on helping children achieve an awareness of themselves and the world around them.

Health/Sickness

All children must have current immunizations, and a copy of the child's updated immunization records must be given to Mrs. Steinman before September 10.

The staff at LBP is concerned about the health and wellness of each student. Children respond to school better when they are well rested. With that in mind, staff members recommend an early bedtime for preschool children. In addition, measures are taken to insure cleanliness at the preschool. This commitment needs to be a home-school partnership.

Parents, please do not send your child to school when:

- ❖ Your child has had a fever, has been nauseous or has had diarrhea in the past 24 hours.*
- ❖ Your child has been in contact with or has contracted a contagious illness.*
- ❖ Your child shows symptoms of an illness.*

Please notify the Director as soon as possible if your child has been in contact or has contracted a contagious illness.

The staff will contact parents as soon as possible if a child shows signs of fever or illness while at school.
